

## Women of the Way: Embracing the Camino

Jane V. Blanchard

***Women of the Way: Embracing the Camino***--Learn about modern-day pilgrims, preparations for hiking the Camino, and life on The Way.

This millennium-old pilgrimage attracts people from around the world, not only for religious reasons, but for health, culture, and adventure. Learn why through conversations with modern-day female pilgrims.

Though the book is about Jane's journey and the discussions with women she meets on the pilgrimage, it is not a "chic" book. It is about embracing the Camino, the personal changes, and the beauty and appeal of the most popular of all pilgrimages to Santiago de Compostela, the Camino Francés.

### Reviews and Reader Comments:

"An articulate, well-observed and thoughtful look at walking the Camino." ~ Adam Nathan

"I felt as though I, too, was a pilgrim as I saw the beautiful landscapes Jane described, felt the tiredness she experienced, enjoyed the food along with her, laughed and cried with her." ~ Elizabeth Chandler

"My husband, John (62), and I are reading your book while we prepare to walk the Camino in May of 2013. We are loving it! I like your honesty and factual approach. Your descriptions have caused us to laugh and almost cry at times. Thank you! We are reading a little each day and John reminds me to bring the book in the car or to bed. The spirit of the Camino is already appearing in our relationship as we prepare. I can see a change and it is wonderful!" ~ Kim Todaro

"Even if one doesn't plan to walk the Camino, this is a refreshing book." ~ todakat
