...about Hadrian's Wall Path

"Hadrian's Wall Path: Walking into History is a riveting, well-written chronicle of a hiking adventure across the English countryside. More importantly, it is what Jane Blanchard herself learns, that 'History becomes interesting, and it is coming alive.'

Fortunately, she does this for the reader as well.

"The book is an excellent background for anyone interested in Hadrian's Wall, and a valuable resource for anyone contemplating the same path."
